Sticky Wickets:

CCS: First time doing only Integrated Community Employment

One size/solution does not fit all. Small business relationships are the Key to successful placements. They are more willing to be flexible and listen to the "Sell".

Rise: We finally grasped that ADL/IADL (Attendant Care) is nothing like "voc" used to be.

We are thinking more person-centered and the people we support have had more opportunities to do new things.

TVW: The uncertainty of some of the specifics of the changes that are happening July 1, 2015 is a challenge

If you have specific questions let Robyn know and we will try to seek clarification from DHS
